

Please keep this email handy in case you come across a fish kill.

1) Do not remove, collect or touch the dead fish. Do not touch anything and stay out of the stream.

2) Call both the following numbers as soon as possible :

1-800-563-1633 (National DFO emergency number)

902-314-0736 (Local)

If you are aware of potential causes of the kill, you can provide this to the dispatcher. For example: A spill from a truck or run-off from a certain field, etc.
